custody / control

Agents

Benefits of Shippers Interest All-Risks Cargo Insurance

- Provides the Insured the value-added ability to offer cost effective cargo insurance to their customers.
- Coverage can be provided while in transit, and in store.
- Wide range of conditions available, from specified perils to all risks.
- Streamlined digital application process. Get quotes quickly with limited information.
- War on land extension available.

Benefits of Freight Liability and Warehouse Liability Insurance

- Provides coverage for an Insured's liability towards the physical loss and/or damage of cargo accepted into their custody and control, whilst in transit and/or in store.
- An Insured will enjoy the benefit of coverage for consequential loss, on-forwarding costs, disposal costs and defence costs, even if such costs have been incurred for claims falling below the policy deductible.
- Extensions available include contingent cargo, errors & omissions, third-party liability, fines and duties, containers and equipment.
- Coverage can be applied under private standing trading conditions or international conventions.
